Draw Manga Faces for Expressive Characters: Learn to Draw ...
One of the great things about manga is that you can make a human face with a very abstract understanding of human features and still have an interesting, expressive character. If you have a character facing in a direction other than looking right at the viewer, the same general rules of facial proportion still apply.

How To Draw Manga, The Characters, Body, Face, And More
Female anime and manga characters tend to have rounder faces and pointier chins than male characters. Use curved lines rather than angled ones if you plan on drawing a female character. Characters that are older usually have taller, narrower faces than younger characters. Curve the lines more when you're drawing the jawline.
