At the big conventions like GEN CON, I always  
like to walk the Dungeons & Dragons play area  
to see how some of the other dungeon masters  
run their tables. I see very few DM screens.  
I understand the appeal of dropping the  
screen; I don't like peering over that little  
wall either.

Dungeon Masters as Players Too. Dungeon

Wizards has an excellent Dungeon Master's Screen. It is well made and good looking and well worth the price. However, It falls short (in my opinion) on the reference material on the DM's side.
