I Can Common Core - flyingbundle.com
As I'm researching the Common Core standards, there are a few things to I need to remember to consider when borrowing ideas from other blogs, etc. The first is that, while the entire idea behind Common Core is that the entire (really, most of) the country will be using the same standards. In reality, this isn't true. I don't know about all the differences between states, but I do know that ...
