 2020 SAE High-Efficiency IC Engine Symposium (HEICE) Canceled Due to concerns around the rapidly evolving coronavirus (COVID-19) pandemic, SAE International has made the difficult decision to cancel the 2020 SAE High-Efficiency IC Engine Symposium (HEICE), originally scheduled for April 19-20, in Detroit.

High-Efficiency IC Engine Symposium - SAE International
 SAE International recently announced that we are transforming our 2021 Engineering Events into a portfolio of immersive digital experiences. As part of this transformation, SAE has made the decision to cancel the 2021 Hybrid and Electric Vehicle Technologies Symposium. We apologize for any inconvenience this cancellation may cause.

Hybrid and Electric Vehicle ... - SAE International
 SAE International is transforming our 2021 Engineering Events into a portfolio of immersive digital experiences. We will offer digital platforms for nearly all of our events to expand interactivity and equip participants with global, 24/7 access to mission-critical skills and knowledge for a new era of mobility.
